The following questions are to determine if you have engaged in any past or present behavior which would potentially disqualify you from consideration for a position with our agency. You must answer them truthfully and with explanations where necessary. Misrepresentation or deliberate omission of any material facts at this stage will result in disqualification.

PLEASE CIRCLE YOUR RESPONSE FOR EACH QUESTION:

- Yes No Have you used marijuana within four years of the date of your state application for employment (PD-107)?
- Yes No Have you ever purchased, possessed or sold any amount of any illegal drug? If yes, please identify the drug(s), and provide details concerning possession or sale.
- Yes No Have you ever been convicted of a felony or other serious crime? If yes, please explain in detail.
- Yes No Do you agree to submit to a polygraph, psychological evaluation, pre-employment drug screening, and medical examination as part of the application process? If no, please explain in detail.

- Yes No Are you able to meet the minimum requirements and/or standards for law enforcement officers, as mandated by the N.C. Criminal Justice Education and Training Standards Commission? If no, please explain in detail.

The next series of questions deal with areas that may raise concerns during the course of the selection process. Certain responses to these questions may not automatically disqualify you from consideration for the position for which you are applying, but will be evaluated on a case-by-case basis. It is critical that you provide thorough details if required in order that your situation can be fairly evaluated.
