Closed Session // NC GS 143-318.11 (a) (1) (3) & (5) Prevent Disclosure of Non-Public Documents, Attorney-Client Privilege & Property Acquisition

Commissioner Ed Mims moved to enter closed session at 8:19 p.m. pursuant to NC GS 143-318.11 (a) (1) (3) & (5); seconded by Commissioner Nowell. Motion approved 5-0.

Redacted – ongoing property acquisition

City Manager Weichel then gave an update on the proposed acquisition of 120 Sanderford Street. City Attorney Morphis has drafted an offer to purchase (with terms agreed to by the property owner), and the city has received the disclosures indicating the property owner has no knowledge of lead paint being present. Weichel stated that this item would be placed on the January 15 or February 4 agenda for approval by the board.

City Attorney Morphis discussed the previous actions by the Board to keep minutes closed for a set amount of time. Most recently, the Board voted in March 2019 to keep two sets of minutes sealed for another twelve months. The Board expressed interest in seeing the original minutes and comparing to the redacted minutes based on Morphis' recommendations. City Clerk Hobgood has prepared these documents, and they are available for the board to view at City Hall.

City Attorney Morphis then moved to discussion of the inter-local agreement with Granville County for property on Cannady Mill Road. Morphis discussed the potential legal repercussions of the Board voting to rescind the action of

approving this agreement. Mayor Wheeler recommended that the city approach Granville County informally to see if they would be amenable to dissolving the contract. Commissioner Nowell offered to speak with County Commissioner Tim Karan, since he was the one that originally proposed the concept to the board. The board gave consensus for Commissioner Nowell to approach Tim Karan for his thoughts on the matter. There was further discussion of the terms of the contract drafted by the county, and what liability the city would retain even though the property would be under the county's control for at least twenty years. City Attorney Morphis gave additional background information on the agreement, which he and the County Attorney had reviewed before approval by either governing board. Morphis agreed that this could be an open session topic if no further legal advice was needed, but recommended the discussion occur in closed session if it appeared that the county would resist the agreement being rescinded.

City Attorney Morphis then moved to discussion of the Johnny Peace Property, the history of the court case, and what authorizations the Board had given to the attorney so far. Morphis also showed the site plans that Peace has proposed to build a future home on this lot. Morphis reminded the Board that the case was scheduled to go to mediation, but was cancelled at the request of the majority of the Board. The court has granted an extension for the mediation, which Morphis will reschedule at the board's direction. Morphis then outlined the potential options that the Board could pursue: sign the easement proposed by Peace, purchase a portion of the property or the entire property outright, continue litigation, or remove all city facilities from Peace's property. The Board then discussed what zoning rules govern a home being built on this lot. City Manager Weichel reported that Peace's property is considered lawfully non-conforming, since he owned the property before the zoning rules were changed. The Board discussed how owning only a portion of the property could affect future plans for Lake Rogers Park included in the Lake Rogers Master Plan. The Board gave consensus for Morphis to negotiate the purchase of the portion of property that the city is encroaching on at an amount not to exceed \$50,000. The Board also gave consensus to negotiate the purchase of the entire property at a cost not to exceed \$64,000. If Peace and his legal counsel do not agree to either option, the case will be required to go to mediation. The Board will choose who attends mediation at the January 15, 2020 meeting if necessary.

Commissioner Kicinski moved to leave closed session at 10:27 p.m.; seconded by Commissioner by Ed Mims. Motion approved 5-0.
